
School Pantomime

We are very excited about our upcoming whole school pantomime trip! Letters have already been sent home with details, including information about the voluntary contribution. While we always aim to make our trips accessible to everyone, we do rely on these contributions to make them possible.

The cost of the trip is £20 per pupil, with a generous £5 subsidy from our wonderful PTA the cost is £15. We completely understand that times are challenging, and we are happy to take payments in instalments if needed. However, if we are unable to collect enough contributions, we may sadly have to reconsider whether the trip can go ahead. We must give final numbers by the **4th of November**; please can all permission slips and monies be in by this date if you want your child to attend. If you'd like to pay in instalments, please send an email to the school or see a member of staff.

Thank you so much for your continued support, it really does make experiences like this possible for all our children.

Flu Vaccination

The NHS School Nursing Team will be visiting soon to deliver the nasal flu vaccine to pupils. This is a safe and effective way to help protect children from flu and reduce its spread within the wider community.

Consent forms and further information will be sent home. Please ensure these are completed and returned promptly. Alternatively, families can give consent online by scanning the QR code displayed on this poster. The poster can also be found up in the school office.
