

## Bedwas Junior School Information Regarding the LAEG Equity Grant 2025 - 2026

- The total number of pupils on roll for September 2025 is: 165
- The schools FSM population is approx. 11%
- The total allocation of Equity Grant to this school is £36,403

The school undertakes the following work and activities in order to support pupils facing the challenges of poverty and deprivation: -

- Targeted small group and 1:1 intervention for vulnerable pupils;
- ELSA support for pupils to deliver emotional, social and behavioural support for identified FSM pupils as well as for pupils in previous years who have been eligible for FSM.
- Regular well-being check-ins, with increased frequency for identified vulnerable learners.
- Deployment and funding for support practitioners to provide the interventions noted above.
- Whole-school universal well-being provision, including emotional literacy activities embedded within the curriculum.
- Class-based strategies to promote resilience, self-regulation and positive relationships.
- Subsidised access to educational visits and enrichment activities to ensure equality of opportunity.
- Support for participation in extracurricular clubs, including sport, dance and wellbeing activities.
- Provision of essential resources, such as uniform.
