Dear Families,

The children were all brilliant having their photograph taken today! Your child should have come home with a tempest letter with their picture on, along with a code. We do not take any orders through school; they need to be ordered via the tempest website. If you have misplaced the letter, please see the school office for your code. Tempest offer free delivery back to school within a 2 week order window. After that, the only option is delivery to home at a cost of £5.
