Friday 15th December

Dear Families,

We have had the most wonderful week filled with Christmas events and school trips! The children have had so much fun, we can't wait to continue making memories with them next week. We would like to remind you that next Thursday 21st of December is our final day of term.

Staffing Update

As you are aware, Mrs Lloyd is retiring at the end of this term. Her last day with us will be Wednesday 20th December.

Miss Lloyd, who has been teaching Dosbarth Porffor on a Thursday & Friday, will now be teaching the class full time.

We are very excited to be welcoming a new teacher, Ms Jenkins. She will be teaching Dosbarth Glas from January. She has a wealth of experience, having been a Deputy Head teacher and ALNCo in England before relocating to Wales. The children of Dosbarth Glas have met Ms Jenkins when she delivered a fabulous lesson on 'Superheroes with superpowers'!

Mr Leaves will be leading the Professional Learning in the school and supporting all classes with their Forest School adventures. We are now able to use his skills in this area to further enhance our approach to the new curriculum and make more use of our fabulous facilities. This will mean a change to the timetable for PE and Forest Schools. Details will be sent home the first week back!

Christmas Parties and Hot Chocolate Day

Next Wednesday 20th December pupils will be having their Christmas parties in class. On Thursday 21st pupils will be having hot chocolate and treats in school! Because of these events, pupils may wear Christmas clothing, party clothes or Christmas jumpers to schools on this day.

Rising 3's Settling in Sessions

Monday 8th and Tuesday 9th of January will be settling in sessions for our new nursery pupils. There will be no nursery for our current nursery pupils on these days. All nursery pupils will return to school on Wednesday 10th of January.

Kerbcraft

Year 2 pupils will be coming home with Kerbcraft letters today which will begin in the Spring term. Please can these be signed and returned to school as soon as possible. Kerbcraft teaches children ages 5-7 how to be safer pedestrians by taking them onto real roads and showing them how the right decision-making and behaviour can really help them to keep safe when crossing the road.
